## PROFILE

Medialogy graduate from Aalborg University Copenhagen with more than ten years in TV, live music and video production. I enjoy turning loose ideas into clear problem statements, working prototypes and final products. From tangible hardware based products and sensor installations to games, VR and apps. Touring life and live broadcast taught me to plan hard, lead calmly and deliver on time.

## CURRENTLY

- Medialogy master's programme at AAU — Sound and Music Computing speciality
- Tour Manager, Carpark North
